ALTERNATIVE PROVISION FOR COVENTRY AND WARWICKSHIRE

RADIO +

BROADCASTING MUSIC DIGITAL SOCIAL MEDIA

Radio Plus

Alternative Provision services for Coventry and Warwickshire

Radio Plus are now offering unregistered Alternative Provision placements for young people aged between 11-24 who live in Coventry and Warwickshire.

All our placements take place within a live radio station environment. We offer a wide range of enriching and engaging experiences. These include:

- **Gaining work experience in a real life radio station**
- **Training and digital skills development in radio broadcasting**
- **Learn studio production and work on live radio programmes**

- **Music workshops - introduction to music and instruments**
- **Song writing and performance**
- **Recording music in our studios**

- **Gain work experience in digital and social media production**
- **Help create digital content for the Radio Plus website**
- **Create a portfolio of work highlighting a wide range of digital skills**
